## Long Haul Drive

SUMITOMO TIRE  
**ST938**

Cross-country or around town, ST938 is the next generation traction companion to ST778 and ST709. Because it was designed from the inside out to resist irregular wear and give high miles per 32nd", ST938 is incredibly long wearing. Its bold tread elements really bite, while its S-Tech Design casing yields outstanding long-term performance.

- New tread pattern concept couples sophisticated traction and smooth even wear.
- Solid shoulders with rigid interior tread block configuration control heel/toe wear.
- Super-deep 30/32nd" tread pattern applied across a wide, flat radius for remarkably long miles to removal.
- Diamond cut block edges fight irregular wear and resist cuts and snags.
- Increased base rubber dissipates heat while running at high speeds in long haul operations.

Product Code	Tire Size	Load Range Ply	Pref Rim Width (inch)	Min Rim Width (inch)	Single Max I.P. (psi)	Single Max Load (lbs)	Dual Max I.P. (psi)	Dual Max Load (lbs)	Overall Diameter (inch)	Section Width (inch)	Min Dual Spacing (inch)	Skid Depth (x/32")	Static Loaded Radius (inch)	Revs Per Mile	Max Speed (mph/kmh)
