ENCOUNTER AT

Every Road is an Adventure.
Encounter Them All.

Key Features and Benefits

ALL-SEASON AND ALL-TERRAIN PERFORMANCE

With exceptional traction in mud and heavy snow, the Encounter AT provides control in harsh weather and on tough terrain for true all-surface performance, year round.

EXTENDED TREADWEAR AND MILEAGE

The Encounter AT's advanced tread technology is built to last and backed by a 60,000-mile treadwear warranty for maximum value.

COMFORTABLE AND QUIET RIDE

The Encounter AT's optimized tread design reduces road noise and delivers the smooth, comfortable on-highway performance drivers expect from Sumitomo.

RUGGED, DURABLE CONSTRUCTION

Designed from the inside out to provide versatile on-road drivability and off-road strength, the Encounter AT is the ideal tire for daily commutes and weekend adventures.

BEST-IN-CLASS WARRANTY PROTECTION

The Encounter AT is backed by a best-in-class warranty protection package that gives consumers confidence and peace of mind.

SEGMENT-BEST TREAD DEPTH

Deepest tread in category 20/32" for select sizes.
(Based on available market data as of July 2017)

AGGRESSIVE SIDEWALL DESIGN

Stylized with two different aggressive shoulder designs for an eye-catching appearance.

SEVERE SNOW CERTIFIED

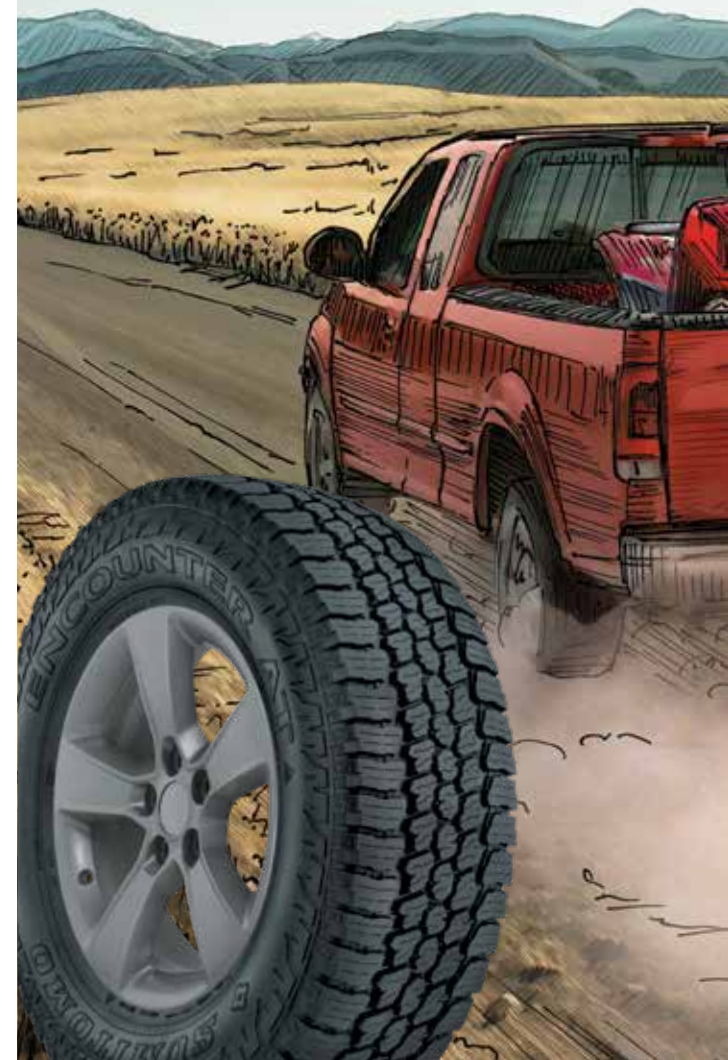

All sizes are rated with the U.S. Tire Manufacturers Association's 3-Peak Mountain Snowflake symbol for severe snow performance.

SUMITOMO TIRES

For what drives you.

ENCOUNTER AT

Encounter Your Road to a New Adventure

Discover the new standard of all-season drivability and all-terrain durability with the Sumitomo Encounter AT ... the go-anywhere, do-anything all-terrain light truck tire for CUV's, SUV's and Pickups.

The Encounter AT is the ultimate choice for your vehicle, featuring advanced Sumitomo technology that delivers exceptional performance and versatility at an attractive price that doesn't break the bank.

The Encounter AT's refined, yet aggressive design combines superior all-surface traction with rugged durability for confident on-road drivability and off-road strength. With a sturdy five-rib design and deep tread depths, the Encounter AT plows through heavy snow and mud while providing the strength and stability to tow a boat to the lake, haul a load to a job site, or simply explore the open road in style.

Add in the extended-mileage tread compound and best-in-class warranty protection, and you'll quickly see that the Encounter AT is your best road to a new adventure.

Encounter Your Road to All-Terrain Versatility

NON-DIRECTIONAL, 5-RIB TREAD DESIGN

Optimizes ride stability and protects against irregular wear

DEEP CIRCUMFERENTIAL GROOVES

Boosts wet grip performance and provides superior wear life

OPTIMIZED TREAD PATTERN

Stabilizes handling and steering response for a smooth, quiet ride

VARIABLE-WIDTH SHOULDER LUGS

Evacuates rocks, sand and other debris for superior off-road grip

RIGID, RUGGED TREAD BLOCKS

"Ramps" or "Step-Down" feature promotes confident handling and durability on every road

3D WAVE SIPES

Enhances traction and performance in snow, mud and other soft surfaces

SEVERE SNOW CERTIFICATION

Ensures reliable winter performance in heavy snow

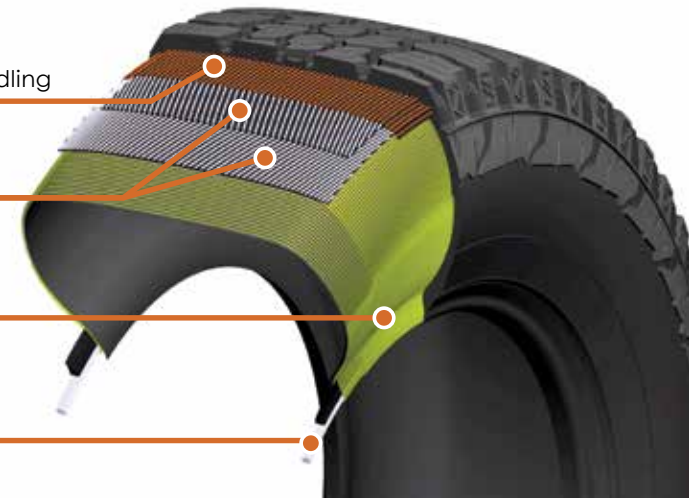

Encounter Your Road to Built-to-Last Performance

Jointless Nylon Cap Ply: Levels load distribution and provides smooth handling

Wide, Stiff Steel Belts: Enhances tread stiffness for responsive handling

High-Tension Casing Ply: Balances stability and comfort during high-speed travel

Hard Bead Apex: Reinforces sidewall and casing for reliable towing and hauling
